Ministry Spotlight | ESP (Extra Special People)

Extra Special People exists to create transformative experiences for people with disabilities and their families, changing communities for the better. Since 1986, ESP envisions a world where every person, of every ability, in every community has universal access to transformative experiences. ESP is currently located in Athens, Rome and Atlanta, Georgia and hopes to expand to cities that fit the mission in the future. They provide year-round programming and family support through ESP 360. In addition, ESP creates meaningful spaces for employment for people with disabilities through Java Joy as well as summer camp experiences through Hooray. ESP is a new ministry partner to FBC Rome and we are excited to join in their efforts. Alongside our financial contribution of \$2,000 there are many ways for you to volunteer.

CBF Field Personnel Spotlight

Kirk & Suzie - Southeast Asia

Kirk and Suzie serve throughout Southeast Asia with *B people (a people group in Southeast Asia that, for safety reasons, must remain unnamed here) and other ethnic minority peoples. For over 30 years, they have sought to testify to God's power to transform lives through their work in literacy, Bible translation and advocacy. Kirk and Suzie were instrumental in the development of a written language for the B. With this development, the B New Testament was published in October 2015, in written form, smartphone app, and downloadable audio. With these resources, a small group of B Christians are bearing witness to Jesus Christ, have formed a church and are seeking to become a healing presence in their community. Kirk and Suzie are committed to cultivating beloved community, bearing witness to Jesus Christ, and seeking transformational development through long-term presence. Learn more about the Kirk & Suzie's ministry and other CBF Field personnel at www.cbf.net/field-personnel.
