Brooke & Mike's Ministry - Baylor University

Brooke and Mike transitioned from Indonesia to Baylor University, where they will help equip the next generation of ministers to serve Christ around the world. Even as they step into this new U.S. based role, their ministry in Indonesia continues, led by local staff and partners. Brooke and Mike's work in Indonesia includes partnerships with Baylor University and many others. These partnerships serve to reach university students, help train pastors and lay leaders, strengthen theological education, support children's ready programs and promote peace building and religious literacy.
