✘ Paying Attention to the Winter of Our Souls

In the winter days of February we experience many cold days filled with too many hours of darkness. We also experience seasons of winter in our souls. How might we pay attention to these winters in our souls, and what are the gifts of winter we might discover together?

CBF Personnel Spotlight

Eddie Aldape - Almera, Spain

Eddie and his wife Macarena serve among immigrant, refugee and student populations through Centro de Esperanza (The Hope Center). Those who are migrating experience many difficulties once they arrive in a new place; lack of income, housing and a language barrier. The Hope Center helps to meet the basic need while sharing the love of Christ through a food pantry, a clothes closet, literacy classes for adults and after school activities for children. Those in need feel hopeful when they know people care for them. Learn more about Eddie's ministry and other CBF personnel at <https://cbf.net/global-missions/career-field-service/>
