CBF Personnel Spotlight

Carson & Laura Foushee - Kanazawa, Japan

The Foushees seek to be Christlike neighbors as they offer their gifts in word and deed to share Jesus' love with their local church and the wider community. They serve alongside Kanazawa Baptist Church to meet the physical and spiritual needs of internationals in their city. Internationals account for just two percent of the overall Japanese population and thus are often isolated and under resourced. The Foushees seek to help the church witness to its community through teaching and preaching in the local church. Learn more about Carson & Laura's ministry and other CBF personnel at <https://cbf.net/global-missions/career-field-service/>.
