CBF Personnel Spotlight

Matt & Michelle Norman - Barcelona, Spain

Spain is one of the world's most secular countries and ranks 5th in the world in its percentage of self-identified atheists. The Normans serve in Catalunya, which is less than one percent protestant, and most of the population are two to three generations removed from the Church. The Normans create and assist in the development of "safe" spaces that express the fullness of the gospel message. They focus their local ministry in two areas. They partner with Primera Esglesa Evangelica Baptista de Sabadell and they seek to address the felt needs of the community through various endeavors. Matthew and Michella also serve as Senior Directors of Field Ministries for CBF Global Missions. <https://cbf.net/global-missions/career-field-service/>.
